Your Home Away From Home

We have two beautiful housing communities for Islanders. Miramar is located on the Island Campus and is the first choice for freshmen. Momentum Village, located on our nearby Momentum Campus, is a community for students who want an off-campus experience with all the benefits of on-campus housing. Students must apply for housing and rooms are assigned on a first-come, first-served, space available basis. Students have the option to commit to a nine-month academic year lease at Miramar or a 12-month lease at Momentum Village.

ALL HOUSING INCLUDES:

• Fully furnished units
• Individual leases
• High-speed internet
• All-inclusive rent with utilities
• Residence tracking
• Swimming pool and recreation facilities
• Electronic locks

Located on the Island Campus, Miramar is the best choice for first-year students and those wanting a traditional campus living experience. With residence hall and apartment floor plans, there are many options and it only takes a few minutes to walk from your room to class. Leases are for the nine-month academic year (August-May) with optional summer leases.

Momentum Village is located on the Momentum Campus and features apartment and townhome floor plans. It’s the perfect location for upperclassmen students. You can ride a bike or take the free shuttles to the Island Campus. Featuring study rooms, a pool, 24-hour gym and other recreational amenities, Momentum Village offers an engaging residential experience. Leases are for 12 months (August-July).

Apply for on-campus housing. Rooms fill up quickly, so apply early! Visit housing.tamucc.edu or call 361.825.8687 for details on each community, floor plans and lease terms.
